

Decompression, Drop, Auto-Flexion IT Convergence Table

## The New 2020 Raphael 707

3 year  
warranty

### High-tech IT Convergence Orthopedic Remedy Table

Developed with the experts in each field from the planning stage.

Decompression, Drop, Auto-Flexion

### Selected As Next Generation World Class Product

Helps with musculoskeletal non-surgical treatment for the spine. Selected as Next Generation World Class Product by Korean Ministry of Trade, Industry and Energy in recognition of positive responses from the leading international exhibitions

## Function 01

Motorized Auto Drop  
(self-cocking)

## Function 02

Auto Traction  
Auto Flexion  
Lateral Flexion(manual)

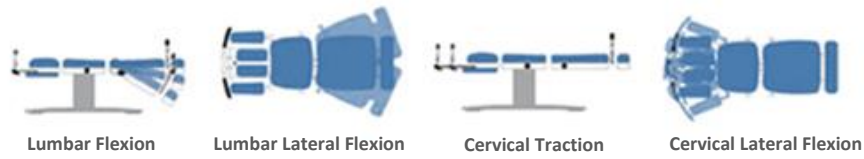

## Function 03

Traction  
(decompression)

## Function 04

Cervical Flexion  
(lateral, axial rotation)

## FEATURE

## Accessory(Optional)

### Traction Belt

(spinal decompression therapy)

As non-surgical spinal therapy, traction induces decompression to maximize the treatment effect on the spine and herniated disc part.

Make the herniated disk back to the original position and enhance natural healing power by increasing the range of motion in the spinal joint

### Scoliosis Belt

A belt used for effective treatment for scoliosis patients, consisting of a fixed belt with two curvature points of scoliosis patient and one remedy belt connected to a tension strap

### Traction Fixation Rods

Fixation rods can be used while traction. Fix the patient's upper body that more effectively could stimulate and relax the muscles around the waist during traction.

### Triangular pillow

Triangular pillow can be used like the fixation rods for enhancing the traction function. It is recommended to use with the traction belt

When using together, can make the herniated disc get back to the original position and help relieve the pain by stimulating the blood circulation.

### Hammock

(cervical traction belt)

Helps relieve the pain in the shoulders, tech neck and neck by stretching the contracted neck muscle

In addition, improves insomnia caused by neck, shoulders pain through traction treatment.

## Specification

<b>Width</b>	670mm(sheet)
<b>Length</b>	1760(sheet) ~ 2280(handle)mm
<b>Up-Down Pitch</b>	590 ~ 890mm
<b>Weight</b>	135kg
<b>Power</b>	AC 220V
<b>Safe Load</b>	150kg
<b>Strengths</b>	Decompression, Auto-cocking Drop, Auto Flexion, Auto Traction, No need of Compressor
